Demystifying the Federal Environmental Assessment Process with Transport Canada in the Pacific Region

June 27, 2011 8:30am to 12:00pm
800 Burrard Street Vancouver, BC
(sign-in at 8am)

This pilot seminar will include:

- TC - Who We Are
- Navigable Waters Protection Program
- Environmental Services
- TC Responsibilities under the Canadian Environmental Assessment Act
- TC Process for Federal-Only Screenings

Please note, this is a pilot initiative, more seminars will be offered in the future. Room capacity is restricted to 45, so attendance is on a first come first serve basis. To ensure fairness, TC respectfully requests attendees restrict attendance from two people per consulting firm. Affiliations will be confirmed.

For registration and more information

TCPACEA-EEPACTC@tc.gc.ca

*Please note that a seminar directed at government organizations will be scheduled at a future date.
